One of the hardest parts about finishing a tough job is getting started on it.

"WHAT'S HAPPENED TO MRS. MORGAN?"

Mrs. Harry C. Morgan of Augusta, Georgia, has not missed Sunday School or church in forty-five years (2340 Sundays). This has us asking a few portinent questions:

- 1. Doosn't Mrs. Morgan over have any company to keep her from attending Sunday School or church?
- 2. Doesn't she ever go anywhere on Saturday night and wake up on Sunday morning too tired to get up and go?
- 3. Doesn't she ever have headaches, colds or spells that keep her home on Sunday?
- 4. Doesn't she over sleep on Sunday to "got her rest."
- 5. Doesn't she know that it rains harder on Sunday than any other day and she can't get out in it?
- 6. Doesn't she over get her feelings hurt by someone in the church and refuse to attend with them?
- 7. Doesn't she ever got preved at the preacher or a Sunday School teacher because of something they said?
- 8. Doesn't she have a radio or TV set to bring her some "better preaching?"

What's the matter with Mrs. Morgan? She's got a case of "religion" that won't let her make foolish excuses!

BLESSINGS

I grumbled because I had to get up early in the morning-until one morning when I could not get up.
